The screenshot shows the Linde HKO eShop interface. At the top, there's a search bar and navigation icons for quick order, login/register, and cart. The main menu includes categories like Gas, Medical Products, Liquid Gas, Dry Ice, and Tools & Accessories. The breadcrumb trail indicates the path: 首頁 > 醫療產品 > 醫療氣體 > 醫療氧氣 > 101-HB 醫療氧氣. The product page for 101-HB Medical Oxygen features a large image of the gas cylinder, a smaller thumbnail, and a detailed description. The product is labeled 'MEDICAL OXYGEN' and '醫療氧氣'. The page includes fields for 'Gas Cylinder Size' (B Size), 'Purchase Quantity' (1), and 'Return Quantity' (1). A note states: '此乃醫療氣體。使用醫療氧氣樽前請諮詢醫生意見。' (This is medical gas. Please consult a doctor before using medical oxygen cylinders). Below this, there's a section for 'Special Price' which requires login or registration to view. At the bottom, there are buttons for 'Register' and 'Login'. A disclaimer at the bottom left of the product image area states: '圖片僅供演示，不能反映氣瓶尺寸或形狀' (Image for demonstration only, cannot reflect cylinder size or shape).
