

Global Quality Policy

At Linde, we are all committed to:

Value our customers and deliver our company mission of making our world more productive

Design, produce and deliver safe, reliable products and services that meet customer expectations

Drive operational excellence with a culture of continuous improvement

Comply with applicable laws, regulations and internal requirements

Maintain an effective management system

The Management Committee and Linde's global leadership is committed to the full implementation of this Quality policy.

A handwritten signature in black ink, appearing to read "Hoo Peih Yoke", is located below the commitment statement.

Hoo Peih Yoke
Managing Director - Linde Malaysia
Effective date: 1 July 2022
